

# DHJC Mitzvah Day - Sunday November 6th

10:00 a.m. to Noon

A mitzvah is a commandment from God to do a good deed to contribute to “Tikkun Olam”, the repair of the world. Our heritage teaches that the world can be repaired by one person at a time, requiring each of us to take responsibility to help, to heal and to enhance the community in which we live.

For over nine years the DHJC Social Action Committee has sponsored Mitzvah Day. Mitzvah Day at DHJC is when everyone – individuals, couples, seniors, children and families – can make a difference by doing something for the larger community.

We hope you can join us.
