

DHJC COLLEGIATE OUTREACH

SHALOM PARENTS OF COLLEGE STUDENTS

The Dix Hills Jewish Center is continuing its tradition of keeping in touch with undergraduate college students who reside away at school. Sisterhood would like to include your college student in our Collegiate Outreach Program. The aim of this program is to keep the students connected to the DHJC with mailings and good wishes all geared to the Jewish lifecycle and calendar.

We ask that you take a few minutes to email the following information so we can update our collegiate list for the new school year. Please remember that every year we start a new list, so everyone must send us their student's information even if it is the same as last year.

Thank you for making it possible for us to ensure that your children stay connected to the DHJC!
